

Complete Customs,
Expert Compliance

Whatever your needs, Frontier offers specialized customs solutions that are backed by a team of industry experts dedicated to your business.

Frontier has over 50 years of industry experience and can provide you with the perfect mix of services for your business to simplify your supply chain, and save you money.

1 on 1 Service and Support: Frontier designates one service rep who's backed up by a team of knowledgeable staff to help handle all of your cross border paperwork. This ensures that you deal with an expert who knows your business, goods, and needs as well as the ins and outs of North American Customs procedures.

Compliance Capable: Beyond basic customs brokerage, Frontier offers a variety of compliance services for your firm such as database management and valuation, as well as duty rebate claims. **In 2010 Frontier helped clients receive over \$200 000 in duty rebate claims!**

All of the Options: Frontier's staff are experts at leveraging the Non Resident Importer program for American firms to help increase their sales into Canada. Furthermore, Frontier is one of only a handful of brokers approved to help set up and handle CSA clients providing you with the cutting edge of cross border trade technology and dedicated Fast Lane™ access.
